### **ACADEMIC INTEGRITY**

An institution's reputation and intellectual freedom depend on its uncompromising commitment to the ideal of academic integrity. OPSU is committed to instilling and upholding integrity as a core value. OPSU is dedicated to maintaining an honest academic environment and ensuring fair resolution of alleged violations of academic integrity.

Academic integrity is required in every aspect of a student's association with OPSU. Students will respect OPSU's commitment to academic integrity and uphold the values of honesty and responsibility that preserve our academic community. For more information on this subject, please reference the OPSU General Catalog.

Violations may subject you to disciplinary action including the following: receiving a failing grade on an assignment, examination, or course, receiving a notation of a violation of academic integrity on your transcript and being suspended from the University. Students have the right to appeal the charge.

For more information, please visit <https://opsu.edu/academic-regulations/>

### **ATHLETICS SANCTIONED POLICY**

Prior to a scheduled athletic event, the appropriate coach or Director of Athletics, will submit via email to the Office of Academic and Student Affairs ([abby@opsu.edu](mailto:abby@opsu.edu)) a list of participating students, dates/times they will be gone, and a request to notify faculty of student absences from class. The Office of Academic and Student Affairs is responsible for sending out the list of athlete's missing class to all OPSU faculty.

Only those absences that are submitted under the above procedure are considered sanctioned by the university.

If you are not on the absence list, the absence is not sanctioned as a university activity.

It is the student's responsibility to meet with the instructor prior to departure for information given in class such as notes, assignments, or to schedule a make-up test. It is the student's responsibility to make up work as per each individual instructor's requirements.

The instructor will determine whether work must be made up prior to departure or how many days after the return that the work is due. Laboratories may have to be arranged to be made up at a later date. If the instructor's policy is not in the syllabi, the instructor may open the door for allowing for makeup work/labs/exams to be decided by the Dean of that college or the Department Chair. If work is completed according to instructor's policy, instructors cannot penalize a student for being absent for OPSU sanctioned activities.

\*\*Athletic team photos are not sanctioned as a university activity.

### **MEDICAL TREATMENT**

A doctor's appointment or off-campus physical therapy appointment for athletics reasons is considered excused for a reasonable period of time surrounding the appointment. Every effort, however, should be made to schedule these appointments to cause the least interference possible with your classes. Additionally, "treatment" in the on-campus training room does not excuse a student-athlete from class attendance. On-Campus treatments should be scheduled around classes. Be sure to find out if an instructor requires an excuse from the trainer or doctor if missing class for medical treatment or illness.

### **CAMPUS SAFETY AND SECURITY**

The educational experience at Oklahoma Panhandle State University encompasses both classroom and extra-curricular learning opportunities where students can thrive in a safe and secure environment.

In case of emergencies, please dial 911. For non-emergency incidents, please call our 24-hour dispatch at 580.468.0915.

**Request a SafeWalk.** OPSU is committed to keeping our Aggie community safe. Our SafeWalk program uses trained security officers

to escort anyone from a campus building to their vehicle or on campus residence from 9 p.m. to 2 a.m., seven days a week.

If you would like a SafeWalk outside the hours of 9 p.m. to 2 a.m., request one. The OPSU Police Department is available. They'll be happy to walk with you to your next on-campus destination or to housing. To request a SafeWalk, call 580.461.3274.

### **CONNECT WITH YOUR INSTRUCTOR**

If you have questions regarding your class, talk to your instructor. Faculty members usually include their office hours, e-mail, and/or phone number in the class syllabus. If you cannot locate this information, set a time to meet with your instructor by speaking with them prior to or immediately following your class session or check with the departmental office on when the instructor may be available. Office hours may be in-person or virtual, so students are strongly encouraged to confirm the format and available times with their instructor.

### **COPYRIGHT & FAIR USE POLICY OF COURSE MATERIALS**

Course materials may not be published, leased, sold to others, or used for any purpose other than appropriate OPSU-related individual or group study without the written permission of the faculty member in charge of the course and other copyright holders. This paragraph grants you a limited license giving you access to materials for this course, including PowerPoint slides, audio/video recordings, written, or other materials, for appropriate OPSU-related educational use only. Lectures should not be recorded without permission from the faculty member and must not be further disseminated or shared. Assignments, quizzes, and exams (individual questions or in their entirety) should not be uploaded to websites offering note-sharing, tutoring, or other academic help (free or by paid subscription).

### **DROPPING A COURSE AND WITHDRAWING FROM THE UNIVERSITY:**

- **Dropping a course** refers to the dropping of one or more classes while remaining enrolled in at least one other OPSU course for a given semester. The regular drop period is during the first ten regular instructional days of a regular semester and the first five regular instructional days of a summer session, or, in general, the first one-eighth of the academic term. Drop and refund deadlines can be found within the [Academic Calendar](#). Summer courses and other short courses that vary from the standard 16-week semester follow proportionate drop and refund periods.
- **Withdrawing** from the university means dropping *all* courses, and you *are no longer enrolled for the current semester*. Students seeking to completely withdraw from all courses should make their request in writing to the Academic Records Office. The student should email their request to [academicrecords@opsu.edu](mailto:academicrecords@opsu.edu) with the student ID, CRN(s), and term for withdrawal. Withdrawal deadlines can be found within the [Academic Calendar](#).
- **Financial Aid Implications.** Students should be aware any of the following factors may impact their financial aid:
  1. dropping a course;
  2. their last date of attendance in a course;
  3. dropping below 12 full-time credit hours; and/or
  4. being administratively withdrawn from a course.

### **FINAL EXAM POLICY**

1. Oklahoma State Regents for Higher Education regulation 3.19.3 require that “those institutions which reserve the final week of the semester as a testing period shall ensure that all classes meet

during the testing period.”

### **\*EXCEPTIONS**

- a. Final examinations in “arranged” courses should be held during the last scheduled meeting of the course.
  - b. If laboratory examinations are given, they will be held during the last regularly scheduled meeting of the lab.
  - c. Final examinations for 1st 8-week and 2nd 8-week classes will be held during the last regularly scheduled meeting.
  - d. Final examinations in 16-week hybrid or online courses will be held during finals week, at times noted on the Final Exam Schedule. At the discretion of the instructor of record for hybrid courses, the final class meeting, exam, or alternative uses of the final may be held in-person or online.
2. Final exams must be administered during the final exam period at the scheduled time and in the scheduled location. Alternative uses of the final exam may be designated by the course instructor. These alternatives must be of academic substance. Examples may include group presentations, final project presentations, peer evaluations, and discussion on course content.
  3. No faculty member is authorized to depart from the published final examination schedule for either a class or an individual without approval. Early final examinations are prohibited. Any deviations from the examination schedule **MUST** be approved by the Chair and Dean and reported to the Vice-President of Academic and Student Affairs.

### **FINAL EXAM OVERLOAD POLICY**

A student will not be expected to take more than two final examinations in one day. In cases where a student has three or more exams scheduled for the same day, instructors must offer make-up exams. The student's number of exams will be reduced to two by the following procedure:

1. If a student has three or more exams on the same day, the instructor(s) giving the third and subsequent exams must provide make-up exams during the week designated for final exams for that semester at a day and time agreeable to both instructor and student.
2. The student must notify the instructor or department of the third and subsequent final exams scheduled. Such notification must be given to the specific instructor or department before the end of the twelfth week of classes in 16-week course semesters.
3. Any rescheduled final examination dates must not interfere with the timely submission of grades for the entire class.

### **GRADE APPEALS**

Students have the right to appeal a grade that they feel they did not deserve. They must initiate the grade appeal within six weeks from the end of the specific term with a written letter to the instructor or if they grade is received during a summer session or an interterm session, the student will follow the deadline that applies to the semester in which the credit for the course is granted.

The protocol for the grade appeal is as follows:

1. Seek redress with the instructor of record;
2. Seek redress with the course's department chair;
3. Seek redress with the course's dean.

Should these channels not satisfy the grievance, the student may appeal to the chair of the Academic Council Committee as a court of last

resort. The chair's contact information is available in the Office of the Vice President for Academic and Student Affairs. The Academic Council Committee's decision is final. For more information, please visit <https://opsu.edu/academic-regulations/>.

### **INCLEMENT WEATHER**

If the OPSU campus officially closes due to inclement weather or other emergencies, alerts are disseminated via text, OPSU email, and on the OPSU website. Faculty will communicate with students via OPSU email to check Canvas for possible make-up work and new deadlines.

Faculty is asked to delay any quizzes, exams, or other assessments scheduled and move the due date for any assignment affected. Faculty may host a synchronous (live class) session via Zoom or MS Teams. However, instructors may not assume that students have internet access or the ability to travel to campus during the period of inclement weather.

Instructors may post videos, slides, readings, and other course materials to Canvas to make up for class time missed due to inclement weather. They may also make assignments as they normally would in class. However, students should be given ample time to work through any material posted and to complete any tasks assigned during this period.

Instructors should provide substantial notice to students about any rescheduled in-person activities, such as labs missed due to the cancellation of classes, being cognizant of both academic and non-academic obligations that students might have.

For more information, please visit <https://opsu.edu/safety-security-2/> or email Chief of Campus Police Andy Ramirez at [andy.ramirez10@opsu.edu](mailto:andy.ramirez10@opsu.edu) or visit the Garrett Leo Draper Clubhouse.

### **UNIVERSITY ATTENDANCE POLICIES**

Regular and consistent attendance not only aids in academic success, but dependable attendance is a requirement in today's real-world employment; therefore, regular and consistent attendance is a requirement in all OPSU courses.

- Students may not be marked as absent if missing class for situations such as, but not limited to:
  1. participating in a required university activity such as a field trip;
  2. fulfilling a military obligation;
  3. a mandatory court appearance;
  4. death in the immediate family; and/or
  5. extreme illness or accident to oneself or immediate family.

Instructors, at their discretion, may require proof of such events.

- It is the responsibility of the student to contact and inform the instructor and/or department in advance of such excused absences whenever possible.
- Tardy: Arriving late to class as defined by the individual class instructor. Faculty, at their discretion, may equate three (3) tardies to equal one (1) absence.
- **Attendance Taking.** Faculty are required to take attendance. Attendance will be recorded in Canvas.
- **Non-Attendance Policy.** Responsibility for class attendance rests with the student. Class attendance on the first scheduled day of an on-campus course and on the first week of an online course are especially important to achieve student success. Students who are

reported by faculty as non-attendance will be contacted by the registrar office. If students remain on the non-attendance list after the registrar office has contacted them, he/she will have their registration in the course(s) cancelled.

### **ADMINISTRATIVE WITHDRAWAL (AW)**

1. An "AW" may be assigned by the Vice President for Academic and Student Affairs (VPASA) or designee to indicate that the student has been "involuntarily" administratively withdrawn from class(es) for a given semester for disciplinary reasons, financial reasons, non-attendance at the start of the semester, or inadequate attendance throughout the semester. The "AW" grade is GPA neutral.
2. The university reserves the right to administratively withdraw any student from an individual course who misses 20% of that course, whether excused or unexcused, when, in the opinion of the instructor, the student does not have a reasonable opportunity to be successful in the course.
3. When a course is linked to a required supplemental course, the University reserves the right to administratively withdraw any student who misses 20% or more of either course from both courses, regardless of their attendance in the other course.
4. Students with excessive absences will have their name submitted via the Administrative Withdrawal Form through OPSU's student retention software and will receive an "AW" for that individual course without refund of tuition or fees.
5. The faculty member will request an Administrative Withdrawal through OPSU's student retention software, with a note including the percentage and dates of class missed. This form will be submitted to the appropriate academic dean for approval.
6. Per Oklahoma State Regents for Higher Education (OSRHE) policy, the academic dean will send the Administrative Withdrawal Form to the Vice President of Academic and Student Affairs (VPASA). If the administrative withdrawal is approved, the VPASA will forward the form to the Office of the Registrar for processing.
7. The Financial Aid Office will be notified after an AW has been processed.
