### When Can I Enroll?

Starting with the Spring of 2024, OPSU is implementing enrollment periods based on student classification. For example, seniors have priority enrollment opening on the first eligible day for registration. Juniors can enroll the next day, with sophomores and all students following in the subsequent days.

1. Log into your Aggie Portal, select Self-Service, then Student Profile.

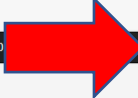

Based on your classification at OPSU (including any transfer work) your Time Ticket will indicate when you can enroll in courses for the coming semester.
